ACRPC Welcomes our New Finance Specialist & Office Manager, April Clodgo!

April joins the ACRPC team from Monkton and Hinesburg, where she had previously worked as an Office Manager and then Controller. With more than two decades of experience she brings a multitude of skills including developing, sustaining, and streamlining financial and administrative functions. Over the past decade her career has been working with companies that are focused on the well being and sustainability of our natural environment and local communities.

In her free time April loves to fish, travel with her family, and learn new gardening skills.

This newsletter is financed through the State of Vermont Dept. of Housing and Community Affairs. Opinions expressed do not necessarily reflect the opinion of the State of Vermont. All programs of the Addison County Regional Planning Commission are ADA accessible.

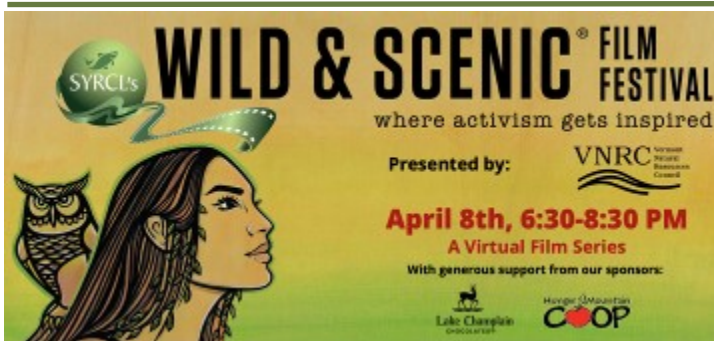

Announcements

Local Emergency Management Plans

<https://vem.vermont.gov/plans/lemp>

Municipalities should review and update their emergency plans annually and readopt them **between Town Meeting and May 1** every year. Having a current LEMP is one of the requirements to receive post-disaster Emergency Relief Assistance Funding (ERAF) from the state. ACRPC will be sending reminders and pre-drafted forms to town clerks and EMDs. For more, contact ACRPC Emergency Planner Andrew L'Roe at alroe@acrpc.org, 802-388-3141

Two seminars on creating and updating Local Emergency Management Plan Seminars will be held March 8 or March 11—see Tools & Trainings for more information

Blue-Bin Recycling Workshops

<https://www.addisoncountyrecycles.org/recycling/blue-bin/workshops>

- Thursday, March 4: 2:00-3:00pm
- Thursday, March 11: 7:00-8:00pm
- Saturday, March 20 : 11:00am-Noon

Join ACSWMD for a free, live Zoom workshop to learn the in's and out's of blue-bin recycling. By recycling, you conserve valuable landfill space, contribute to a circular economy that re-uses waste streams and reduces our collective reliance on virgin feedstocks. Plus, it's a simple way to comply with Vermont's Universal Recycling Law, which banned many blue-bin recyclables from the landfill beginning July 1, 2015. This free workshop covers the major categories of blue-bin recycling, common contaminants and questions, special recycling, and a framework for deciding if something can be recycled.

VELCO First Responder Awareness Training

March 24– 5:30pm-6:30pm

www.velco.com/our-work/safety/first-responder

VELCO supports first responders and other emergency personnel response to fires and other emergencies involving electric utility lines and facilities. Firefighters, police and EMTs are typically the first on the scene in an emergency, and therefore face the greatest risk when responding to emergencies where electric utility lines and facilities are involved. This training provides safety guidance and resources to emergency services personnel to mitigate those risks and ensure best practices are implemented during an emergency.

ANR Community Wildlife Program Webinars

<https://anr.vermont.gov/content/trainings>

These webinars are intended for Vermonters serving on town boards and municipal staff.

Starting your Town Conservation Fund

March 11- 1:00pm-2:00pm

Did you know that towns can establish dedicated funds to pay for conservation? Learn what it takes to start a Conservation Fund, where the money come from, and what to do with yours.

Natural Resource Inventories

March 19- 11:00am-12:00pm

Whether you are interested in wildlife, wetlands, or forest blocks, a natural resources inventory can help you identify what matters most and where it occurs on the landscape.

Starting a Conservation Commission

March 23- 7:00pm-8:00pm

More than half of Vermont towns already have a Conservation Commission and the activities that Conservation Commissions are engaged in range from land management of town owned forests to land use planning and even development review. Each commission looks a little different and can be incredibly helpful asset to your town!

The River Corridor: Floodplains & Riparian Habitat

April 8- 10:00am-11:00am

The network of streams and rivers across Vermont is critically important for climate resilience. These are dynamic systems, constantly changing and home to incredible biological diversity and many other functions and values.

Community Involvement

Community Health Needs Assessment

Your input makes a BIG impact!

Link to survey: surveymonkey.com/r/86PSH65

Together, UVMHN Porter Hospital, Five-Town Health Alliance, Addison County Home Health and Hospice, and several other organizations are working hard to deliver the best services possible to our community. Please help us better serve you by taking 15 minutes to complete this survey so we can learn more about the needs of you and your family. The goal of this survey is to improve services and promote a healthy community. Your participation in this survey is completely voluntary and anonymous.

If you have any questions or would like to receive a paper copy of the survey, please contact **Sylvie Choiniere** 802-382-3406 or schoiniere@portermedical.org

Starting March 1, Vermonters age 65 and older will be able to make an appointment to get vaccinated. Visit HealthVermont.gov/MyVaccine
