AGENDA Local Government Committee Hearing and Consultation	**Town of Bristol July 20, 2021 Planning Commission**
I. LOCAL PLANNING NEEDS	
a. Public hearing on and presentation of the municipal plan assessment, energy plan assessment and associated recommendations	
b. Discussion of training needs of the municipality	1. VPIC materials 2. What topics deserve more information and training? 3. What kind of training would be most helpful? 4. What format works best for your community?
c. Review the economic development and flood resiliency plan elements and related recommendations	
II. PLAN IMPLEMENTATION	
a. Discuss the municipality's local permitting (note this is a discussion only, the RPC will not be evaluating bylaws).	1. Do the bylaws implement the plan? 2. Are there specific issues regarding the local permitting process that need attention?
b. Discuss the municipality's non-regulatory implementation priorities.	1. Discuss the municipality's priorities related to the plan. 2. Overview of downtowns, villages, growth centers and new neighborhoods, which might be appropriate for that municipality.
III. HOW CAN ACRPC HELP?	
a. Overview of RPC programs and projects	1. Overview of RPC programs and projects 2. Where has the RPC been the most valuable?
b. RPC board representation	1. Review Commissioner participation; 2. Do you hear enough from us? What would you suggest to improve our communications and assistance?
c. Discussion of other local and regional issues and priorities
