GREEN MOUNTAIN POWER: WORKPLACE EV CHARGING INCENTIVE
How It Works

Green Mountain Power is giving workplace customers a rebate of $750 per new charging port!

Eligibility Requirements:

- Must be a workplace location with public accessibility to charging stations
- Eligible participants must be existing Green Mountain Power customers, including businesses, parking lots, hospitality, retail, restaurants, multi-unit dwellings, and more
- Stations must be networked via AmpUp, and paid through customer’s utility bill
- Financing options for charging stations are available from the Vermont Economic Development Authority (VEDA).
