James Dayton - Panton
Ross Conrad - Middlebury
Rich Warren - Starksboro

ACRPC staff - Maddison Shropshire

AGENDA

- Call to Order: 7 PM
- Energy Updates from Maddison:
 - Presentation of potential town energy programs. Alternative forms of outreach are necessary to encourage municipal progress on energy implementation. Therefore, a region-wide energy campaign is proposed to drive local conversations and increase program participation. The three suggested categories include weatherization, municipal buildings, and solar generation. - The committee determines that weatherization initiatives should be prioritized.
 - Energy Scorecards are being drafted based on the Waltham template shared. Data from Efficiency VT, the DMV, and the VT Energy Dashboard is being used. - Concerns were raised about the accessibility of data on the VT energy dashboard.
 - In partnership with the transportation planner, an active transportation proposal was developed for the purpose of promoting greater investment in bicycle and pedestrian infrastructure appropriate for rural communities.
- Other Business - none
- Adjourn - Ross moved to adjourn, Rich seconded the motion and by unanimous consent the meeting was adjourned at 7:55 PM.
