Funding Opportunities

State Homeland Security Grant Program

<https://hsu.vermont.gov/homeland-security-unit/funding-opportunities>

Nonprofit Security Grant Program (NSGP)- includes churches, mosques, and synagogues, for Enhancing the Protection of Soft Targets/Crowded Places, Risk Planning, vulnerability reduction, public warning, etc.

Can be used for the acquisition and installation of security equipment on real property, specifically in prevention of and/or protection against the risk of a terrorist attack

State Homeland Security Program (SHSP)- municipalities, for authorized equipment. Special focus on Cybersecurity

Operation Stonegarden Grant Program (OPSG)- law enforcement agencies, for border and travel corridor security

Next Round of applications due in January 2023, but likely additional money this Fall 2022

Hazard Mitigation Grants

<https://vem.vermont.gov/funding/mitigation>

Flood Resilient Communities Fund (FRCF)

Reducing the future public safety and water quality impacts of climate-related flood hazards, focusing on buyouts of flood-vulnerable properties

2 projects awarded in 2022: Hollow Brook bridge abutment removal (north Starksboro, by Lazy Brook Mobile Home Park), Lewis Creek scoping project (Starksboro/Bristol along Rte 116)

Next Round of applications due October, 2022

Building Resilient Infrastructure and Communities (BRIC)

Grant program to states and local communities for mitigation activities

Next Round of applications due December, 2022

Flood Mitigation Assistance (FMA)

To reduce or eliminate the risk of repetitive flood damage to buildings and structures

Includes Community Flood mitigation projects to reduce future NFIP flood claims

Next Round of applications due December, 2022

Hazard Mitigation Grant Program (HMGP)

Mitigation of local roads and bridges, home acquisitions, structural elevations or relocations, replacement of undersized culverts, mitigation outreach and education.

(Requires current Local Hazard Mitigation Plan and 25% local match)

Additional money for Benefit-Cost Analyses

Next Round of applications due June 30, 2022
