Addison County Regional Planning Commission Transportation Advisory Committee (TAC) FY 2024 TRANSPORTATION PLANNING STUDY REQUEST FORM

The Transportation Advisory Committee (TAC) of the Addison County Regional Planning Commission (ACRPC) is preparing to submit its FY 2024 (Oct. 1, 2023 – September 30, 2024) Transportation Planning Initiative (TPI) Workplan and Budget. The TPI is designed to foster greater involvement in the transportation planning process by local citizens and officials. Each year, the ACRPC sets aside a portion of the annual TPI funding received to hire consultants to perform various transportation studies in the county on behalf of our member municipalities, a consortium of municipalities, or a regional organization. Grant awards are contingent on ACRPC receiving funding from VTrans.

Do you have a transportation or traffic-related problem affecting your community? The TAC is requesting a list of transportation planning studies to fund in Addison County. (Note: these funds **cannot** be used for construction projects.) The TAC will evaluate all requests at their meeting to be held on <u>August 16,2023</u>. Please be prepared, at the TAC's request, to have a representative make a short presentation at that TAC meeting. Thank you for taking the time to help us develop our priorities for future transportation studies and projects. To apply, please provide the following information. Use extra sheets as necessary.

Please return this Request Form to your TAC delegate or fill in the online version of the form at https://forms.gle/k169qYN7u6oqAKc8A by Tuesday August, 8 2023
