Funding Opportunities

Non-Disaster Based Funding

<https://vem.vermont.gov/non-disaster-based-funding>

Building Resilient Infrastructure and Communities (BRIC) Grant Program

An annual FEMA funding program that supports states, local communities, and territories as they undertake hazard mitigation projects to reduce the risk from natural hazards.

Cost Share: 75% federal, 25% local non-federal (cash and/or in-kind);

Eligible Projects:

- Project Scoping
- Local Hazard Mitigation Plan development/updates (VEM submits on behalf of towns)
- Construction Projects

State Application deadline: Friday, January 12, 2024.

Flood Mitigation Assistance (FMA)

State Application deadline: Friday, January 12, 2024.

Funds states, local communities to reduce or eliminate the risk of repetitive flood damage to buildings and structures under the National Flood Insurance Program (NFIP).

For questions on the programs above, please contact the State Hazard Mitigation Officer, Stephanie Smith (stephanie.a.smith@vermont.gov)

Flood Resilient Communities Fund

<https://vem.vermont.gov/flood-resilient-communities-fund>

To improve landscape and community resilience and reduce the future public safety and water quality impacts of climate-related flood hazards, focusing on buyouts of flood-vulnerable properties. Applicants can apply for up to 100% of project costs

Hazard Mitigation Grant Program

<https://vem.vermont.gov/disaster-based-funding>

Projects do not need to be directly connected to damages incurred from the major flooding in 2023-

Typical hazard mitigation projects include:

- Mitigation of local roads and bridges
- Home acquisition (buyout)
- Structural elevations or relocations
- Replacement of undersized culverts
- Mitigation outreach and education

Deadline to apply for funding in the spring of 2024- significant funding is available.

For questions on the programs above, contact dps.hazardmitigation@vermont.gov
