Memo

To: ACRPC TAC

From: Mike Winslow, Assistant Director

Date: February 14, 2024

RE: February TAC meeting

At the January TAC meeting I had indicated that I'd like to spend the spring reviewing and updating [the regional transportation plan](#). I had intended to begin the process in March, but our planned February speaker asked to reschedule, forcing me to move the process forward.

The plan does not need a wholesale revision, but I would like to update the Recommended Actions throughout. This would mean removing any actions that may have been completed and adding any necessary actions that may have arisen since the plan was approved in 2018. Keeping the plan up-to-date improves a project's opportunity to score highly in various grant applications and in the VPSP2 statewide prioritization process.

In advance of our meeting next week, please review the following pages in the plan and be prepared to offer suggestions of any changes that might be needed:

- Pg 6-7 - Air - Recommended Actions
- Pg. 6-9 - Rail - Recommended Actions
- Pg. 6-16 and 6-17 - Bridges in the region that need attention
- Pg. 6-20 - US Route 7 - Recommended Actions
- Pg. 6-22 - VT Route 22A - Recommended Actions
- Pg. 6-24 - VT Route 17 - Recommended Actions
- Pg. 6-24 - VT Route 30 Recommended Actions
- Pg. 6-26 - VT Route 116 - Recommended Actions
- Pg. 6-28 - VT Route 125 - Recommended Actions
- Pg. 6-28 - VT Route 53 - Recommended Actions
- Pg. 6-29 - Local Corridors - Recommended Actions
- Pg. 6-31 - Truck Traffic and Freight - Recommended Actions
- Pg. 6-32 - Agriculture Impact - Recommended Actions
- Pg. 6-35 - Public Transit - Recommended Actions

I do not anticipate that all sections will need changes, but this is an opportunity to bring in some changes. I propose moving through the bulleted list in the order presented above over a few meetings.

If you have recommended changes or additions, but are not able to attend the meeting, please email your recommendations directly to me, not the entire list, and I will bring them to the TAC. I don't want to start a conversation via email that would be in violation of open meeting laws.

If you have any questions, please feel free to contact me.
