2025 Transportation Bill Summary

Presented to ACRPC TAC 6/18/2025

Local Projects Explicitly Mentioned

The Bill lists commitments to projects that reduce transportation related greenhouse gas emissions. Funding for Bike Ped. Projects in Bristol and Middlebury are called out. Transportation Alternatives Program funds for Bristol and Ferrisburgh are also called out.

Policy Changes & Studies

- Requires a report on designing a mileage based user fee (Section 5)
- Tied formula grant appropriations to changes in the state Transportation Fund revenue or Consumer Price Index for All Urban Consumers (CPI-U) (Section 13)
- Initiates a study about cancelling locally managed projects (Section 14)
- Initiates a study about municipal budgeting for asset management (Section 15)
- Authorized hiring a consultant to analyze grant program administration and identify potential efficiencies (Section 16)
- Delays implementation of a mileage based user fee for EVs to January 2027 from July 2025 (Section 17)
- Establishes a reduction in vehicle-miles-travelled as a priority in planning and funding decisions (Sections 21-23)
- Provides \$600,000 in one-time funds for grants to transit providers to hire volunteer driver coordinators. Additional language about studies and reports to help the legislature better understand Medicaid Non-Emergency Transportation and to remove impediments to volunteer drivers. (Section 24-28)
- Begins a process for providing VINs for home built and similar vehicles (Section 29)
- Allows Dig Safe contractors to provide markings within three working days of receiving a request (increased from two days) (Section 32 & 33)
